HIPAA EDI 110 is a pre-requisite for this class.

Webinar Times: 03:00 PM - 4:00 PM EST – 2019 Dates: Apr 15th or May 28th or June 24th or July 29th or September 5th

Register a la carte: <https://attendee.gototraining.com/rt/5077332886692934658>

This course requires three pre-requisite courses: HIPAA EDI 110, HIPAA EDI 210 and HIPAA EDI 215.

Part 1: In this session, we will cover advanced 837 topics with different situational rules. In addition, we will walk you through several scenarios of Coordination of Benefits and show you how the 837 and the 835 are linked when more than one payer is involved.

Part 2: This combined section will cover the 277 Request for Additional Information along with the 275 Health Care attachments. Real-world implementation examples and scenarios will be covered.

HIPAA EDI 410: 837 Outbound To CMS and Other State Entities

Webinar Times: 11:00 AM - 12:00 PM EST – 2019 Dates: Apr 16th or May 29th or June 25th or July 30th or September 6th

Register a la carte: <https://attendee.gototraining.com/rt/2046563169589024770>

This course requires three pre-requisite courses: HIPAA EDI 110, HIPAA EDI 210 and HIPAA EDI 215. EDI 401 is strongly recommended but not required to take this course.

Transmitting 837 Outbound to CMS (Center for Medicare and Medicaid Services) is a common practice for most health plans. The Encounter Data System (EDS) Companion Guide contains information to assist Medicare Advantage Organizations (MAOs) and other entities in the submission of encounter data. This class will go through the highlights of the Encounter Companion Guide for the institutional and professional claim. We will also show some highlights Medicaid claim companion guides for some states. We will show examples of 837 x12 transactions for the following encounter types:

- Standard encounters & Atypical Providers
- Capitated encounters
- Replacements
- Deletes
