

# HIPAA X12 EDI Training Online Schedule

## Benefits of these webinars:

- These are live webinars. You have the opportunity to consult with an expert that has implemented EDI for dozens of companies and trading partners.
- Every attendee will become a [Certified EDI Professional](#) by the EDI Academy if they complete all six webinars listed below.
- You will also receive a 100+ page course manual along with other educational resources.
- Previous attendees are very happy with our webinars. Check out our [reviews](#).
- Some courses have pre-requisites.

## Registration and Fees:

- The cost is \$250 per session per person for each individual webinar (a la carte).
- Pay \$200 per webinar if you sign up for all 6 webinars at once. Email us [info@ediacademy.com](mailto:info@ediacademy.com) to get the discount or simply use this [link](#).
- Group Discounts: If your company has three or more people willing to take all six webinars, then there is a 40% discount. Your company will only pay \$150 per webinar instead of \$250 per webinar for each person. For example, 3 people that take all 6 webinars would get one invoice for the amount of \$2,700. Minimum of 3 people are required and must take all six webinars to get this discount. Email us attendee details [info@ediacademy.com](mailto:info@ediacademy.com) and we will register you.

This course requires three pre-requisite courses: HIPAA EDI 110, HIPAA EDI 210 and HIPAA EDI 215.

### **Part 1: SNIP Level Validation**

**Part 2: COB** In this session we will cover advanced 837 topics with different situational rules. In addition, we will walk you through several scenarios of Coordination of Benefits and show you how the 837 and the 835 are linked when more than one payer is involved.

### **Part 3: Encounters**

Transmitting 837 Outbound to CMS (Center for Medicare and Medicaid Services) is a common practice for most health plans. The Encounter Data System (EDS) Companion Guide contains information to assist Medicare Advantage Organizations (MAOs) and other entities in the submission of encounter data. This class will go through the highlights of the Encounter Companion Guide for institutional and professional claim. We will also show some highlights Medicaid claim companion guides for some states. We will show examples of 837 x12 transactions encounters.

**Part 4: 277/FRAI** This combined section will cover the 277 Request for Additional Information along with the 275 Health Care attachments.
