

# Online EDI Training Schedule

## Benefits of these webinars:

- These are live webinars. You have the opportunity to consult with an expert that has implemented EDI for dozens of companies and trading partners.
- Every attendee will become a [Certified EDI Professional](#) by the EDI Academy if they complete all six webinars listed below.
- You will also receive a 100+ page course manual along with other educational resources.
- Previous attendees are very happy with our webinars. Check out our [reviews](#).
- Some courses have pre-requisites.

## Registration and Fees:

- The cost is \$250 per session per person for each individual webinar (a la carte).
- Pay \$200 per webinar if you sign up for all six webinars at once. Email us [info@ediacademy.com](mailto:info@ediacademy.com) to get the discount or simply use this [link](#) to register.
- Group Discounts: If your company has three or more people willing to take all six webinars, then there is a 40% discount. Your company will only pay \$150 per webinar instead of \$250 per webinar for each person. For example, 3 people that take all 6 webinars would get one invoice for the amount of \$2,700. Minimum of 3 people are required and must take all six webinars to get this discount. Email us attendee details [info@ediacademy.com](mailto:info@ediacademy.com) and we will register you.

- **EDI for Finance:**  
This workshop will show you how to implement EDI transactions such as the 820 RA/Payment and the 823 Lockbox. Finance EDI can help you improve productivity and reduce costs and errors in your treasury and accounts receivable departments.
- **EDI for Inventory & Sales:**  
An inventory management system is incomplete without EDI. Learn best practices for EDI transactions such as the 846 Inventory Inquiry/Advice, 947 Warehouse Inventory Adjustment Advice, and the 852 Product Activity Data. This will enable you to provide inventory visibility to your partners and optimize inventory to meet goals for product availability and ROI.
- Studies show that the data input for about one quarter of Business Intelligence and Decision Support comes from EDI transactions. Learn best practices for implementing the 852 and other EDI-related transactions and watch your sales department reap the rewards.
- **EDI for Transportation:**  
Transportation EDI is powerful but underutilized. 3PL's, freight carriers, suppliers and retailers can benefit from learning how to manage transactions such as 110 Air Freight Details and Invoice, 204 Load Tender, 210 Invoice, 214.
